PROPOSED STATE STANDARD,
TITLE 8, CHAPTER 4

Amend Section 6251(d) to read:

§ 6251. First Aid.

* * * * *

(d) First-aid and cardiopulmonary resuscitation (CPR) training shall be provided as follows:

(1) ~~At a fixed sawmill facilities, in the absence of an infirmary, clinic, or hospital, in proximity to the workplace, which is used for the treatment of all injured employees, a person or persons shall be certified in, and readily accessible to render first aid. In addition, supervisors or persons in charge at a work site shall be required to have a valid first aid and cardiopulmonary resuscitation (CPR) certificate.~~ the employer shall maintain personnel certified to provide first aid and CPR, so that these services will be readily available in the event of a medical emergency. Those required to be certified shall include those persons in charge of the work and other employees as are necessary to ensure timely first aid/CPR response. Standards for first aid and CPR training shall follow the principles of the American Heart Association, the American Red Cross, or other nationally recognized agency.

~~NOTE: The word "proximity" as used in this subsection means that emergency medical response time or medical treatment for injured employees can be provided within 15 minutes.~~
